Teacher Note

I gave each child a copy of the paper above as well as a piece of construction paper. We first went over Galatians 5:22-23, filled in the blanks, and then glued it to the top of the construction paper. Then we cut off the Homework section, discussed it, and then glued it to the bottom of the construction paper. I then let the children cut the rest of the verses out individually, but not glue them. We then went around the table giving each child to pick a verse and read it to the class. We discussed the verse and then they glued it onto their construction paper.
